SUMMARY

I am a dedicated and goal-oriented .NET development student at KYH, with a strong interest in .NET development, system development, web applications, and database management.
During my studies, I have gained experience working with HTML, CSS, JavaScript, and C#, and I use Visual Studio 2022 and Visual Studio Code as my primary development environments.
I have also worked with ASP.NET Core, Razor Pages, and Entity Framework, and built several projects with a focus on full-stack development.I am currently looking for an internship (LIA) where I can apply my skills in a real-world setting, contribute to a development team, and continue growing as a system developer.
I am curious, a quick learner, and highly motivated by solving problems and building solutions that create value.

SKILLS

Testing-NUnit, MSTest, Moq	Intermediate
Systemutveckling-WPF,XAML	Intermediate
Web API,Razor,MVC	Intermediate
ASP.NET Core	Intermediate
HTML5, CSS3, SQL	Intermediate

Dear Hiring Manager's,

My name is Luxmi, and I am currently studying to become a .NET Developer with a focus on .NET at KYH. Throughout my studies, I have gained practical experience in C#, ASP.NET Core, SQL, web development,System Development and agile methodologies. I am now looking for an internship opportunity where I can apply my skills, learn from experienced professionals, and contribute to real projects.

I am particularly drawn to this company because of its reputation for innovation and commitment to developing modern digital solutions. I believe my hands-on experience in building applications such as booking systems, banking simulations, and REST APIs,system development, combined with my strong interest in creating efficient and user-friendly software, would allow me to contribute value to your team. I am eager to learn from your company's expertise and grow as a developer while supporting your ongoing projects.

I would greatly appreciate the opportunity to discuss how my skills and motivation can support your team during the internship period, which is scheduled from December 8, 2025 to April 24, 2026. I am eager to adapt to your working environment and contribute to your projects during this time.

Thank you for considering my application. I look forward to the possibility of contributing to and would be happy to provide more details in an interview.
Luxmi Agnes Palma
